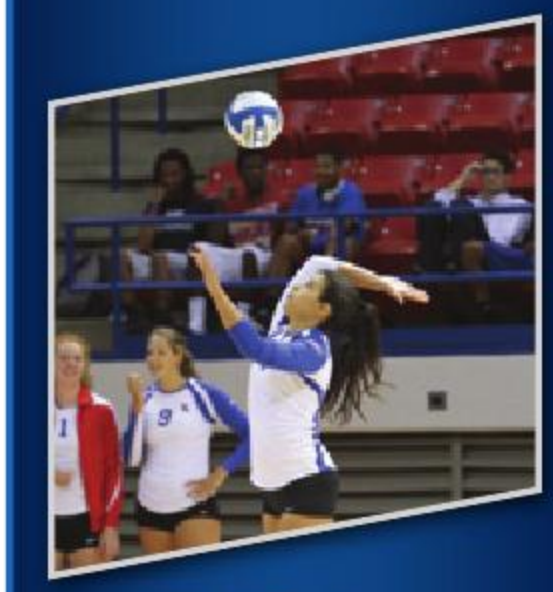
Athletic Vision

Louisiana Tech University will be a conference leader in performance by investing strategically in student-athletes' development, providing superior facilities and enhancing program support to achieve a local and national image of success and dominance.



Athletic Mission Statement

Embody excellence in everything we do.

Develop student-athletes to maximize their potential in mind, body and spirit.

Bring pride, admiration, and loyalty to the University family, community and state.

Win with integrity.

#WeAreLATech

WE ARE EXCITED YOU ARE COVERING LOUISIANA TECH VOLLEYBALL THIS YEAR, AND WE ASK THAT YOU REFER TO US BY OUR CORRECT NAME AND ABBREVIATION. THANKS AND GO LADY TECHSTERS!

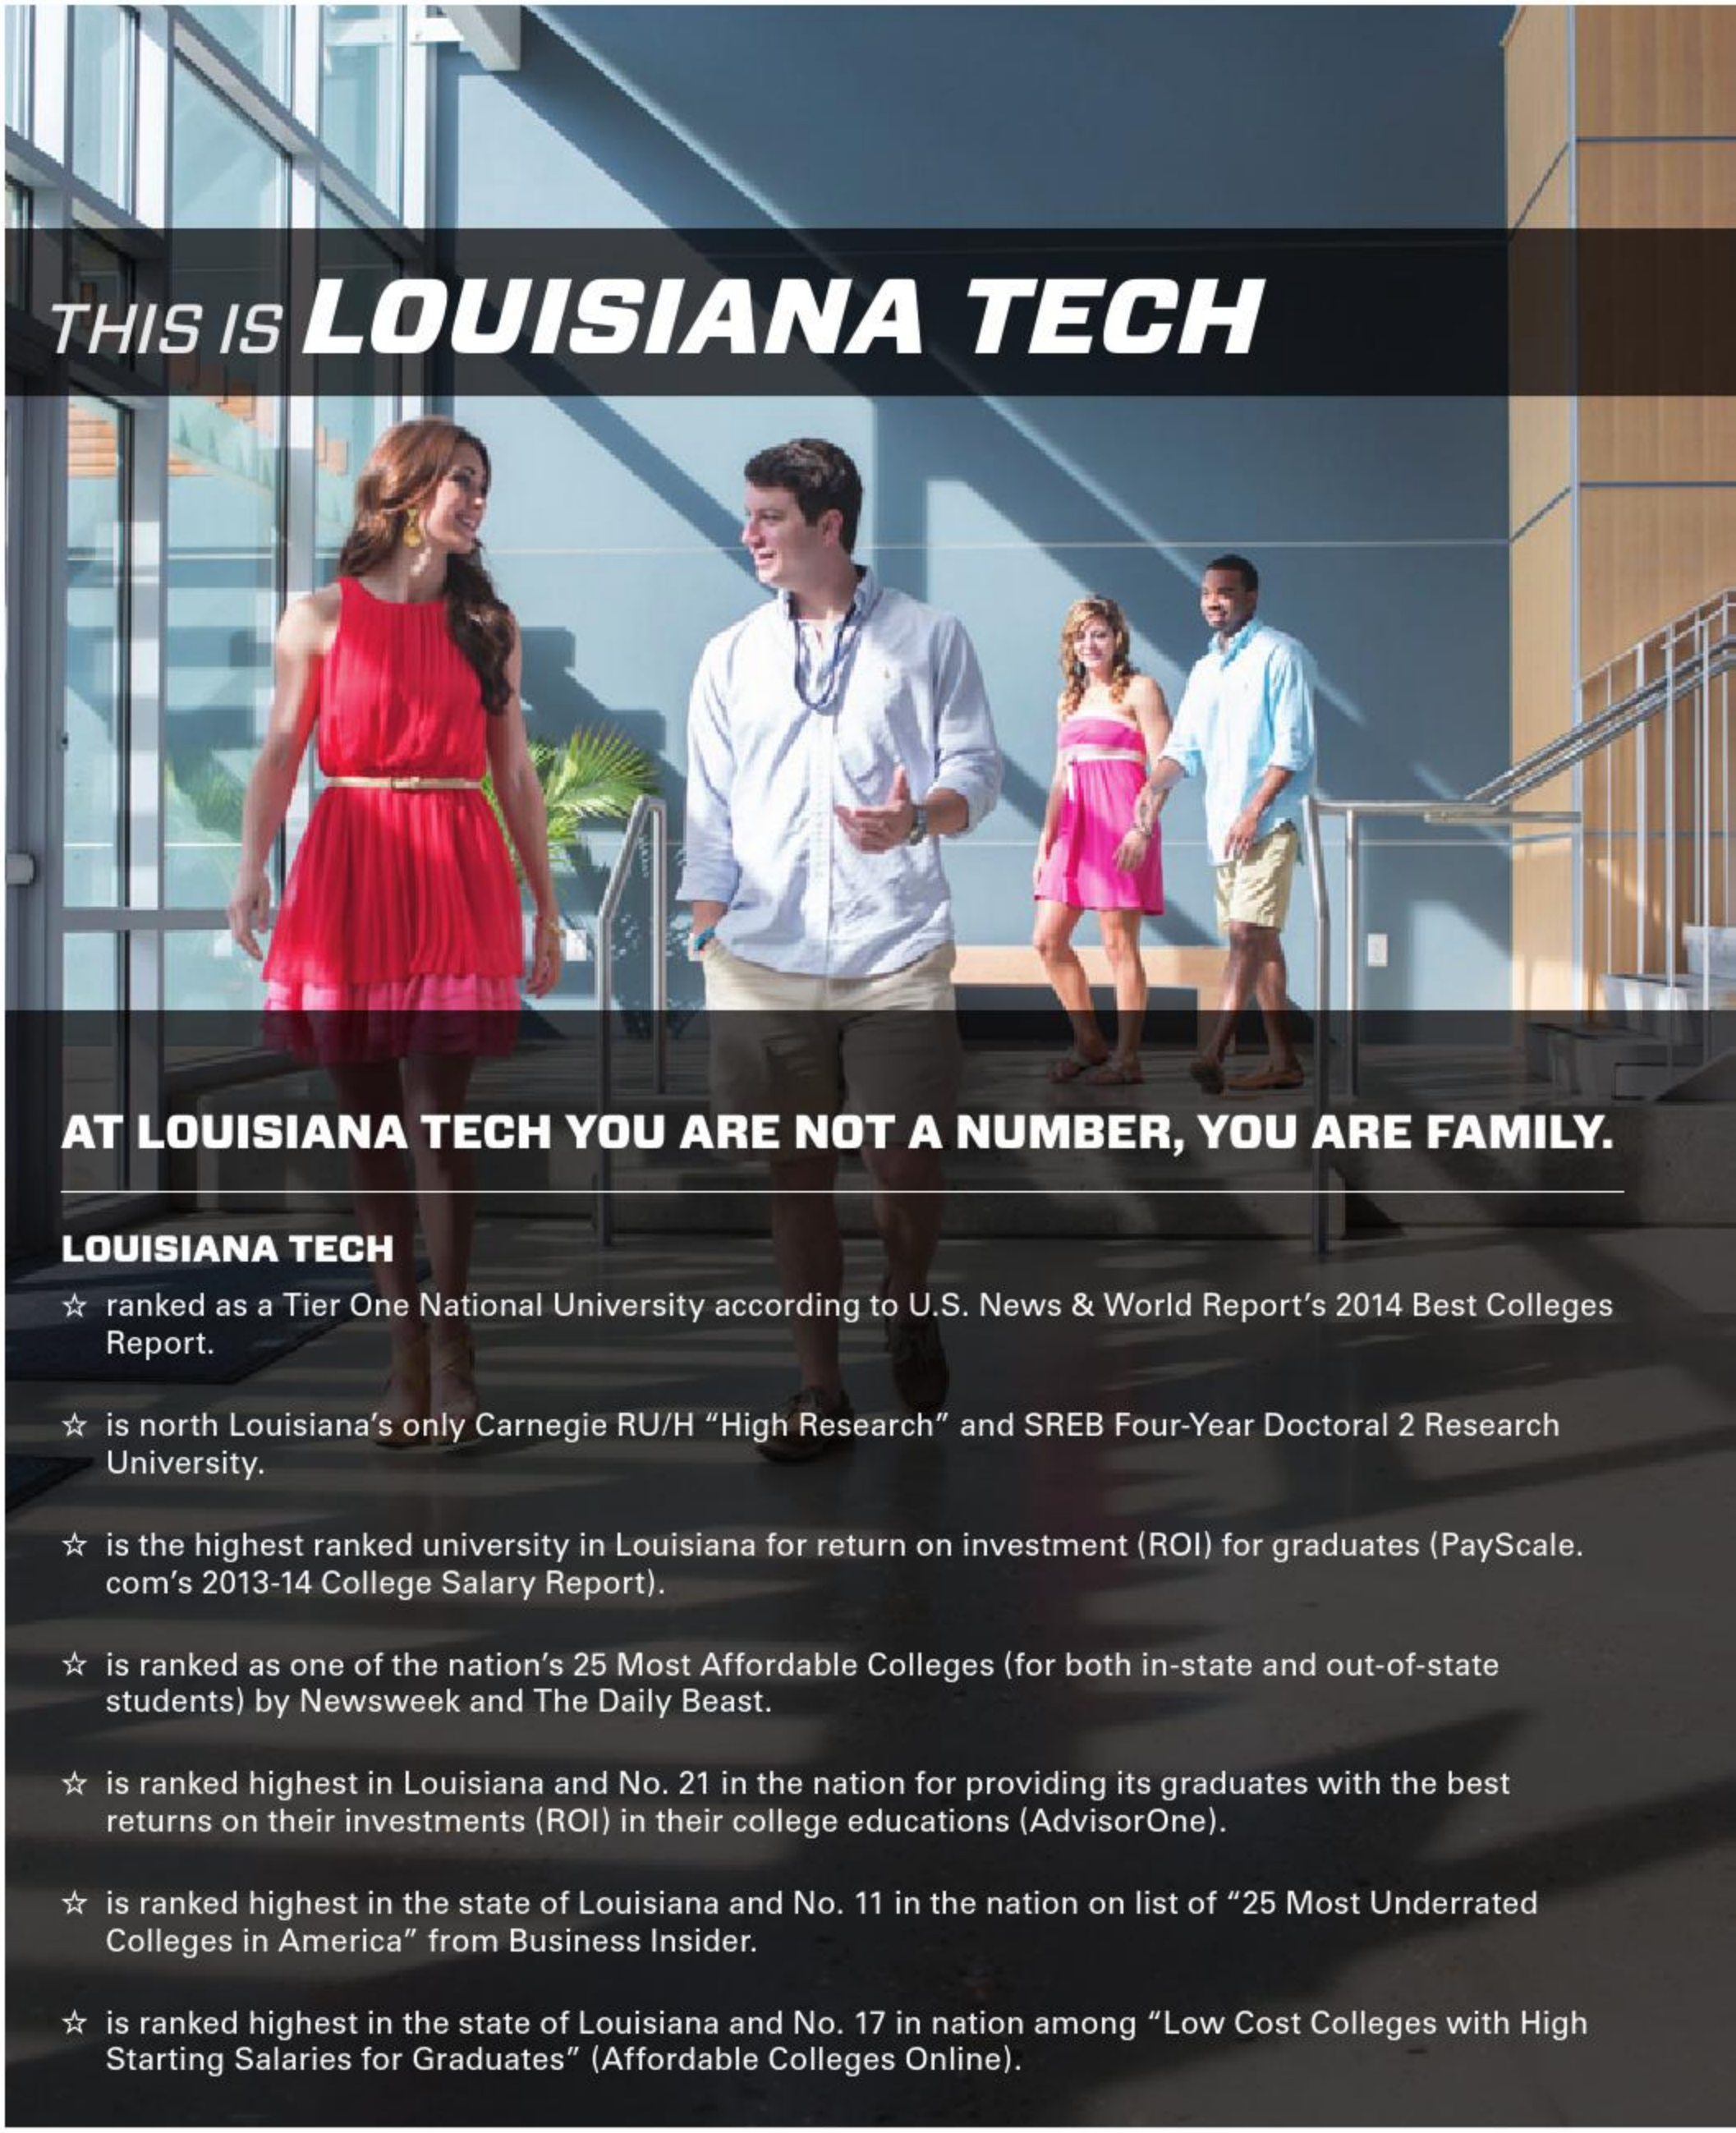
CORRECT -- Louisiana Tech, LA (Lah) Tech or Lady Techsters
INCORRECT -- LT or LTU, LaTech, La. Tech

WE ARE LOUISIANA TECH UNIVERSITY

WELCOME TO THE FAMILY

"Athletics is a central part of Louisiana Tech and an integral component of our efforts to elevate the institution's national standing. It is essential that we continue to focus on the success of our student-athletes and ensure that a winning athletics program is achieved with integrity and class."

-- Tech President Dr. Les Guice



AT LOUISIANA TECH YOU ARE NOT A NUMBER, YOU ARE FAMILY.

LOUISIANA TECH

- ☆ ranked as a Tier One National University according to U.S. News & World Report's 2014 Best Colleges Report.
- ☆ is north Louisiana's only Carnegie RU/H "High Research" and SREB Four-Year Doctoral 2 Research University.
- ☆ is the highest ranked university in Louisiana for return on investment (ROI) for graduates (PayScale.com's 2013-14 College Salary Report).
- ☆ is ranked as one of the nation's 25 Most Affordable Colleges (for both in-state and out-of-state students) by Newsweek and The Daily Beast.
- ☆ is ranked highest in Louisiana and No. 21 in the nation for providing its graduates with the best returns on their investments (ROI) in their college educations (AdvisorOne).
- ☆ is ranked highest in the state of Louisiana and No. 11 in the nation on list of "25 Most Underrated Colleges in America" from Business Insider.
- ☆ is ranked highest in the state of Louisiana and No. 17 in nation among "Low Cost Colleges with High Starting Salaries for Graduates" (Affordable Colleges Online).

Dr. Les Guice became the 14th president in the history of Louisiana Tech University on July 1, 2013.

"Louisiana Tech has a really great foundation of excellence, and we're not starting from scratch by any means. We've got so many of the ingredients in place. My vision is to continue to progress Louisiana Tech in national prominence, but to turn that national prominence into things that bring benefit to North Louisiana, to our citizens of this state and to all of the students and stakeholders of the university."

-- Dr. Les Guice, University President

QUARTER SYSTEM - BIG ADVANTAGE FOR THE STUDENT-ATHLETE

Louisiana Tech has a unique advantage of being on the quarter system as opposed to the semester system. The quarter system provides significant advantages for the students:

- ☆ Lighter workload (take 3 classes instead of 5)
- ☆ Shorter academic sessions (12 weeks instead of 18)
- ☆ More frequent breaks during and between academic sessions
- ☆ More opportunities to withdraw or drop a class and still remain TOPS eligible

HELPING PUT THE STUDENT INTO STUDENT-ATHLETE

THE BULLDOG ACHIEVEMENT RESOURCE CENTER (BARC)
is committed to the success of Louisiana Tech's student-athletes.

PROGRAMS PROVIDED BY BARC

- ☆ Tutoring and group help sessions in all subjects
- ☆ Writing assistance
- ☆ Advising opportunities
- ☆ Referral program for students needing additional assistance
- ☆ Computer labs and study hall space

"The faculty is truly amazing, and I give them all the credit in helping decide my major. Once I made the decision, I knew it was the right one, and I've never looked back. I've always felt encouraged. Honestly, to me, Tech is just the perfect mix of everything in creating the highest quality college experience."

– Erica Stewart (Junior, Columbus, Indiana)

"I fell in love with Tech from the first day I started here. Everyone has been so helpful and encouraging. The quarter system is really great too! You have only three or four classes a quarter, so a class that might not be a favorite won't drag on and the course load feels lighter."

– Jelena Vucinic ('14 Alum, Nelson, New Zealand)

"Louisiana Tech allowed me to be a part of a bigger family and not just another number enrolled in a university. Here you are able to have a personal relationship with other students and other professors in your field of study. Tech became a second home to me and my two brothers. I loved it, and my family loved it."

- Lyle Fitte ('13 Alum, Port Sulphur, La.)

REGGIE SIMPKINS, KAITLYN McCANNA & BRANDON BENJAMIN comprise the Louisiana Tech athletics academic center which the University's student-athletes excel in the classroom and ultimately earn their degrees, something that is the No. 1 goal for the administration and coaches at Tech.

"By joining one of the many on-campus organizations as a freshman, you will immediately meet new people who share similar interests. It is a place where people make you feel like family. Most teachers are very helpful. And the small close-knit relationship at the school is very reflective of how the Ruston community is shaped."

– Travis Wilmore ('14 Alum, Alexandria, La.)

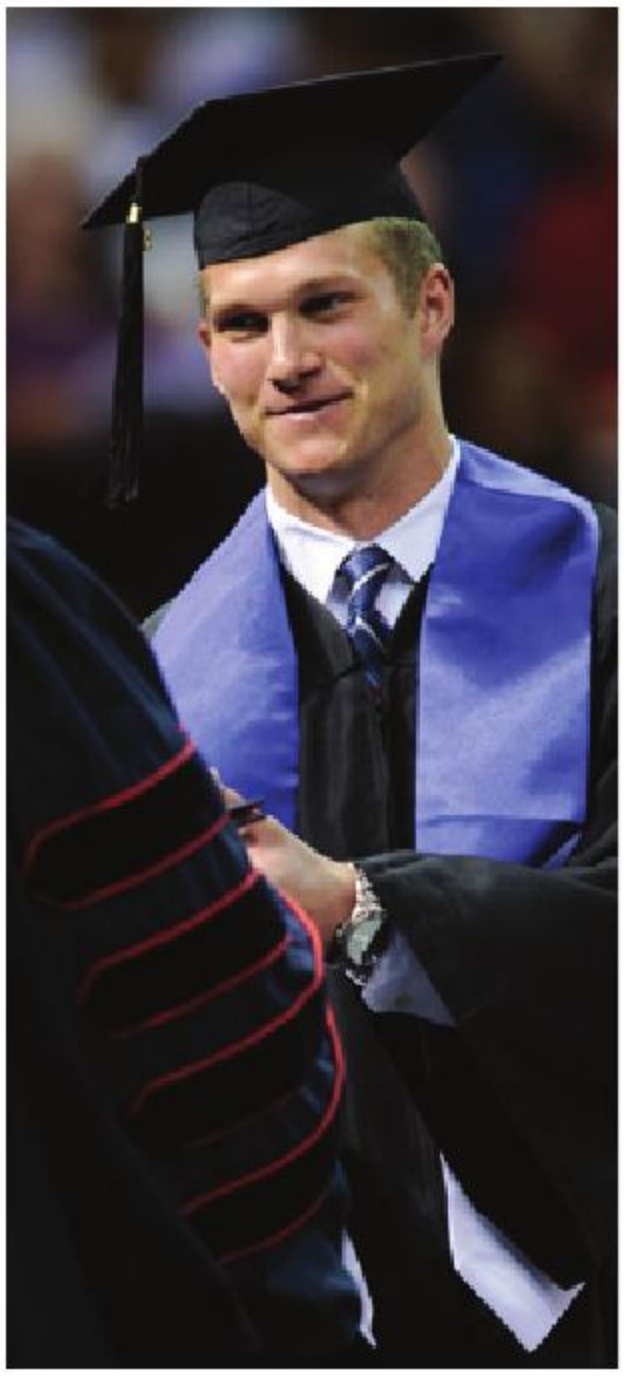
LOUISIANA TECH

- ☆ saw Nicole Jaquemet (soccer) and Stephen Gandy (baseball) earn Conference USA All-Academic honors.
- ☆ saw 12 programs improve their single year Academic Progress Rate (APR) while men's basketball recorded its highest single year and multi-year rates.
- ☆ saw the Lady Techster bowling program earn an NCAA Public Recognition Award after ranking in the top 10 percent in multi-year APR for their respective sport.
- ☆ ranked second in the state of Louisiana among Division I football-playing public institutions with an 80 percent graduation success rate.

Louisiana Tech's student-athletes recorded an all-time high **four-year graduation success rate of 80 percent**, which was four percentage points better than the previous record-high of 76 percent.

LOUISIANA TECH

- ☆ boasts the University of Louisiana System's highest graduation rate at 52.8 percent.
- ☆ boasts the states fastest time to completion for first time baccalaureates at 4.5 years.
- ☆ boasts the ULS' highest average freshman ACT scores at 24.5.



LOUISIANA TECH'S ATHLETIC DEPARTMENT:

- ☆ officially became a member of Conference USA and competed for the first time ever in the 16-team league.
- ☆ officially broke ground on a $20-million plus south end zone facility at Joe Aillet Stadium with an expected completion date of August of 2015.
- ☆ installed the $1.2 million Paul Millsap Vision presented by Community Trust Bank, a high definition video display board and state-of-the-art sound system in the Thomas Assembly Center.
- ☆ raised more than $10.9 million through both LTAC and Quest for Excellence; more than double any previous year in Tech Athletics history.

ON THE PLAYING FIELDS:

☆ Men's basketball racked up a program record-tying 29 wins, including victories at Oklahoma and Georgia, won a second consecutive conference regular season title, this time as a member of Conference USA, and advanced to the NIT quarterfinals for just the second time in school history.

☆ Golfer Victor Lange became the first Bulldog to ever earn a bid to the NCAA Regionals where he competed in the San Antonio Region, finishing in the top 25 during the three-round event.

☆ Tennis saw first-year coach Chad Camper earn the LSWA Coach of the Year after guiding the team to a 15-win season, including a program record 11-match winning streak.

☆ Women's basketball welcomed new head coach Tyler Summitt, son of legendary Tennessee Lady Vols head coach Pat Summitt. Tyler brings a new staff, including former Lady Techster and 35-year coaching veteran Mickie DeMoss.

☆ Softball freshman Pauline Tufi earned all-state and all-CUSA honors after a stellar rookie campaign that saw her break the program single season freshman RBI record (34).

☆ Soccer goalkeeper Caitlin Updyke capped her four-year career by earning four shutouts in Conference USA play en route to being named second team All-CUSA and becoming only the third Lady Techster to go play professional soccer.

☆ Baseball entered a new era with the hiring of Greg Goff, who recently led Campbell University to three straight 40-win seasons, as the seventh head coach in program history.

☆ Volleyball recorded the first Conference USA win in any sport at Louisiana Tech when the Lady Techsters defeated Charlotte, 3-1 (25-19, 21-25, 25-21, 25-22), on Oct. 4, 2013.

☆ Bowling recorded a victory over host Sam Houston State, the eventual 2014 NCAA Women's Bowling National Champions, on Feb. 14, 2013 in the Track Kat Klash in Houston, Texas.

☆ Football produced two NFL Draft picks last season in Justin Ellis (4th round, Oakland Raiders) and IK Enemkpali (6th round, New York Jets).

☆ Men's track and field sprinter Trey Hadnot (200m, 4x100m relay) collected his sixth and seventh All-America honors.

☆ Women's track and field star Charla Craddock swept the long jump titles at both the C-USA Indoor and Outdoor Championships while Kim Francis earned second team All-America honors in the 100m hurdles.

USA ... USA ... USA ...

AS IN CONFERENCE USA

Conference USA celebrates its 20th anniversary in 2014-15, welcoming newcomer Western Kentucky University into the fold on July 1. The league has transformed through its two decades, but the commitment to excellence, integrity, leadership and its student athletes in athletics, academics and community is unwavering.

Conference USA enjoys a far-reaching fan base with its 14 members: Charlotte, FIU, Florida Atlantic, Louisiana Tech, Marshall, Middle Tennessee, North Texas, Old Dominion, Rice, Southern Miss, UAB, UTEP, UTSA and WKU.

Conference USA sponsors competition in 19 sports – nine for men (baseball, basketball, cross country, football, golf, soccer, tennis, and indoor and outdoor track and field) and 10 for women (basketball, cross country, golf, soccer, softball, swimming and diving, tennis, indoor and outdoor track and field, and volleyball).

The Bulldog basketball team won Louisiana Tech's first Conference USA title in 2013-14.

Facebook: *ConferenceUSA*
Instagram: *Conference USA*

TV Markets

- ☆ C-USA membership include institutions within eight of the Top 40 media markets and four in the Top 25 according to Nielsen.
- ☆ C-USA home markets this year will include more than 13 million TV households, a 30 percent increase from two years ago.
- ☆ C-USA enjoys partnerships with FOX Sports Media Group, CBS Sports Network and ESPN.

Competitive Success

- ☆ A total of 83 football teams have earned bowl bids during its history. C-USA is eligible for the College Football Playoff.
- ☆ Conference USA has primary bowl tie-ins with the Bahamas Bowl, Beef 'O' Brady's Bowl, Boca Raton Bowl, Gildan New Mexico Bowl, Heart of Dallas Bowl, Miami Beach Bowl, R+L Carriers New Orleans Bowl and Sheraton Hawai'i Bowl, along with secondary arrangements with the Duck Commander Independence Bowl and the Lockheed Martin Armed Forces Bowl.

Academic Success

- ☆ C-USA institutions are among the nation's best in academic performance of student-athletes. Among C-USA's 5,000 student-athletes, there are champions off the playing field as well.
- ☆ In 19 years, more than 28,000 student-athletes have been named to the Commissioner's Honor Roll or received the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom.

University Park is a community of Tech students who want the convenience of on-campus living and the privacy and sophistication of high-tech, spacious apartments and townhouses with a signature Louisiana Tech view.

UNIVERSITY PARK AMENITIES

- ☆ 2- and 4-bedroom designs
- ☆ Townhouse features a spiral staircase to a loft with two bedrooms and a bath
- ☆ Private bedroom phone and cable television
- ☆ Kitchen equipped with range and refrigerator
- ☆ High speed internet access
- ☆ A pedestrian bridge provides easy, direct access from UP to the heart of campus

CLASS IS OVER ... TIME TO EAT AND SOCIALIZE!

The Student Center's all-you-care-to-eat Café is a good start. Also, in the Student Center, there is a Chick-fil-A, Asian fare, sushi, salads, homestyle burgers and more. In Tolliver, take your pick from McAlister's Deli or pizza or grab something from the convenience store.

Watch big screen TVs and utilize the wireless internet hot spots while you eat in Tolliver, or sit outside on the picnic tables or in either of two dining areas in the Student Center. Students can also get plenty of Louisiana flavor as Ruston is full of local restaurants that range from a little Cajun spice to southern down-home cooking.

Also one of the most frequented areas of campus where students hang out to study and socialize is under the century-old oak trees located in the quadrangle.

LOUISIANA TECH
STUDENT LIFE

There are over 180 student organizations on the Louisiana Tech campus. Plus LA Tech offers 16 NCAA sanctioned athletic programs (Bulldogs and Lady Techsters) and of course Tech students are some of the best fans in the South. This year Tech students can make plenty of road trips to follow their beloved Bulldogs and Lady Techsters as the University makes the all-sports move to the geographical friendly Conference USA.

The **MISS TECH** pageant is just one of many annual student events on campus, including unity step shows, Greek Week, Spring Fling, homecoming, talent shows, concerts, intramurals, sporting events, student organizations, theatrical and musical productions and more.

AFTER CLASS

The Lambright Sports and Wellness Center is both old and new. A $12 million expansion means two pools, sunbathing, Counter Culture at LA Tech, and plenty of relaxing social opportunities. It also contains a rock climbing wall, bowling alleys, basketball courts as well as plenty of cardio and weight training. It's a place of leisure or a place to challenge yourself.

LOUISIANA TECH'S
PROMINENT ALUMNI

Louisiana Tech continues to give back on a global level in every profession and every day, either on center stage or behind the scenes. Tech alums seize the opportunity on campus to make a difference off it; because of you, the University's influence spreads, now more than ever.

Leon Barmore: Best winning percentage of any other coach in history of NCAA women's basketball, five-time Hall of Famer

Albert Bourland: Retired President of Daimler-Benz Washington, Inc., manufacturer of Mercedes Benz

Terry Bradshaw: Member of FOX NFL Sunday, NFL Hall of Fame, No. 1 pick in the 1970 NFL draft, winner of four Super Bowls

Kix Brooks: Songwriter, guitar player, entertainer, Tech fan, host of American Country Music Countdown

John D. Caruthers, Jr.: Former President of the Seven States I-69 Mid-Continent Highway Coalition

Tara Collins: Developer of the MediKin Hematology Teaching Vein, a "hands on" way of understanding blood disorders and diseases, especially HIV/AIDS

Scott Poole: Senior Vice President & Chief Operating Officer, Roy O. Martin Lumber Company, one of the largest independently owned forest products companies in the South

Glen Post, III: Chief Executive Officer and President of CenturyLink, the third largest telecommunications company in America

Glen Post, III: Chief Executive Officer and President of CenturyLink, the third largest telecommunications company in America

Phil Robertson: Founder of the Duck Commander business and creator of the Duck Commander call, professional hunter, reality television star

Teresa Weatherspoon: Named one of the top 15 players in WNBA history, Women's Basketball Hall of Famer, former coach of the Lady Techsters basketball team, Olympic gold medalist and Wade Trophy winner

Sam Wyly: Co-founder of Green Mountain Energy, Maverick Capital, Ranger Capital Group, Michaels Stores, and Sterling Software, Inc.

ADRIANO DE SOUZA

Head Coach — 3rd season

Adriano de Souza enters his third season at the helm of the Louisiana Tech women's volleyball program after a pair of rebuilding years in his first two seasons with the Lady Techsters in 2012 and 2013.

The third year coach entered the 2013 season with a rebuilt roster and plenty to prove as a team as LA Tech was a first-year member of Conference USA. Although the Lady Techsters put together a 7-22 season, including a 1-13 mark in league play, de Souza led his team to a handful of impressive feats in 2013 with a plethora of underclassmen on the roster and just one senior.

For the first time since 2010, Louisiana Tech defeated a conference opponent as the Lady Techsters prevailed against Conference USA foe Charlotte, 3-1, on Oct. 4, 2013 in Charlotte, a victory that also marked LA Tech's inaugural win as a member of C-USA in any sport. The win snapped a 34-match conference losing streak for LA Tech that dated back to the end of the 2010 season when LA Tech defeated then WAC foe Nevada in five sets.

In early 2012, Louisiana Tech announced the hiring of de Souza, a longtime Division I assistant coach, from Illinois State as the ninth head coach in Lady Techster volleyball history. In his inaugural season, de Souza's squad compiled a 3-27 record on the court.

De Souza, a native of Sao Paulo, Brazil, replaced Matt Sonnichsen, who resigned following the 2011 season after four years at the helm of the program. The 42-year-old has brought a wealth of both collegiate and international coaching experience to Ruston, as well as recruiting ties in both the U.S. and overseas.

De Souza's coaching resume spans 19 years and boasts stints at the club, high school and collegiate levels, including assistant coaching positions at Illinois State, Miami (OH) and Kent State over the course of his career.

Before coming to Louisiana Tech, de Souza spent the past four years as an assistant volleyball coach at Illinois State where he helped rebuild the Redbirds program, leading it to the semifinals of the Missouri Valley Conference Tournament two straight years.

Prior to his time in Normal, Illinois, de Souza furthered his reputation by serving on the staff at Miami (OH) for three seasons from 2005-07 where he was instrumental in helping the RedHawks reach the 2007 NCAA Tournament after capturing the Mid-American Conference Tournament title that season. Two of Miami's wins that season came against nationally-ranked Ohio, the four-time defending conference champion. The only other team in the country to sweep the Ohio Bobcats in 2007 was national runner-up Stanford.

In de Souza's first season at Miami in 2005, the RedHawks recorded the most wins (17) since the 1998 Mid-American Conference championship team went 27-8. In 2006, Miami finished fourth in the MAC regular-season race, the RedHawks' best finish since 2000.

De Souza was a volunteer assistant at Kent State in both the 2003 and 2004 seasons, while completing his master's degree in sports pedagogy. He also volunteered as an assistant coach with the boys' volleyball team at Stow (Ohio) High School in 2004, and as the head coach of the Club Q Sport 17's team in 2004-05.

Prior to de Souza's time in Ohio, his coaching career in the U.S. started with two years as the head women's volleyball coach at Union College while he took postgraduate courses. In his first head coaching stint, de Souza led the Bulldogs to a second-place finish in the Mid-South Conference and the program's first NAIA regional appearance in his final season in Kentucky (2002).

De Souza, originally from Brazil, a country with a great volleyball history and tradition, began playing the sport at the age of 14. He spent three years (2001-03) as the volleyball coach and co-administrator for two men's teams in the city of Rio Claro, Brazil. His under-21 men's team was the regional runner-up all three years, while his under-19 men's team was the APV League Champion in 2001, and posted a runner-up finish in 2002. In 1999, de Souza mentored the under-21, under-19 and under-16 women's programs at Club Regatas in Campinas, Brazil, before coming to the U.S. to begin his Division I coaching career.

He also served a three-year stint as the head men's volleyball coach at the State University of Campinas (1995-97), where his team won sectional championships in 1996 and 1997, finished second at the Metropolitan Championships in 1995 and 1996, and placed third in 1997.

Since 2001, Adriano has worked with Antonio Rizola, the head coach of the Brazilian Junior National Team, in developing methods to improve players' game intelligence in preparation for South American and World Championships. In 2007, he volunteered for the Brazilian Youth National Team when it competed at the World Championship in Mexico.

He has also been a liaison and interpreter for the U.S. Women's National Team (1994) and Japanese National Junior Team (1993) in their respective visits to world championships in Brazil.

De Souza has co-authored numerous books and articles on sports and coaching. He graduated with his bachelor's degree from Universidade Estadual de Campinas in Sao Paulo, Brazil in December 1997, and completed his master's degree at Kent State in May 2006.

THE DE SOUZA FILE

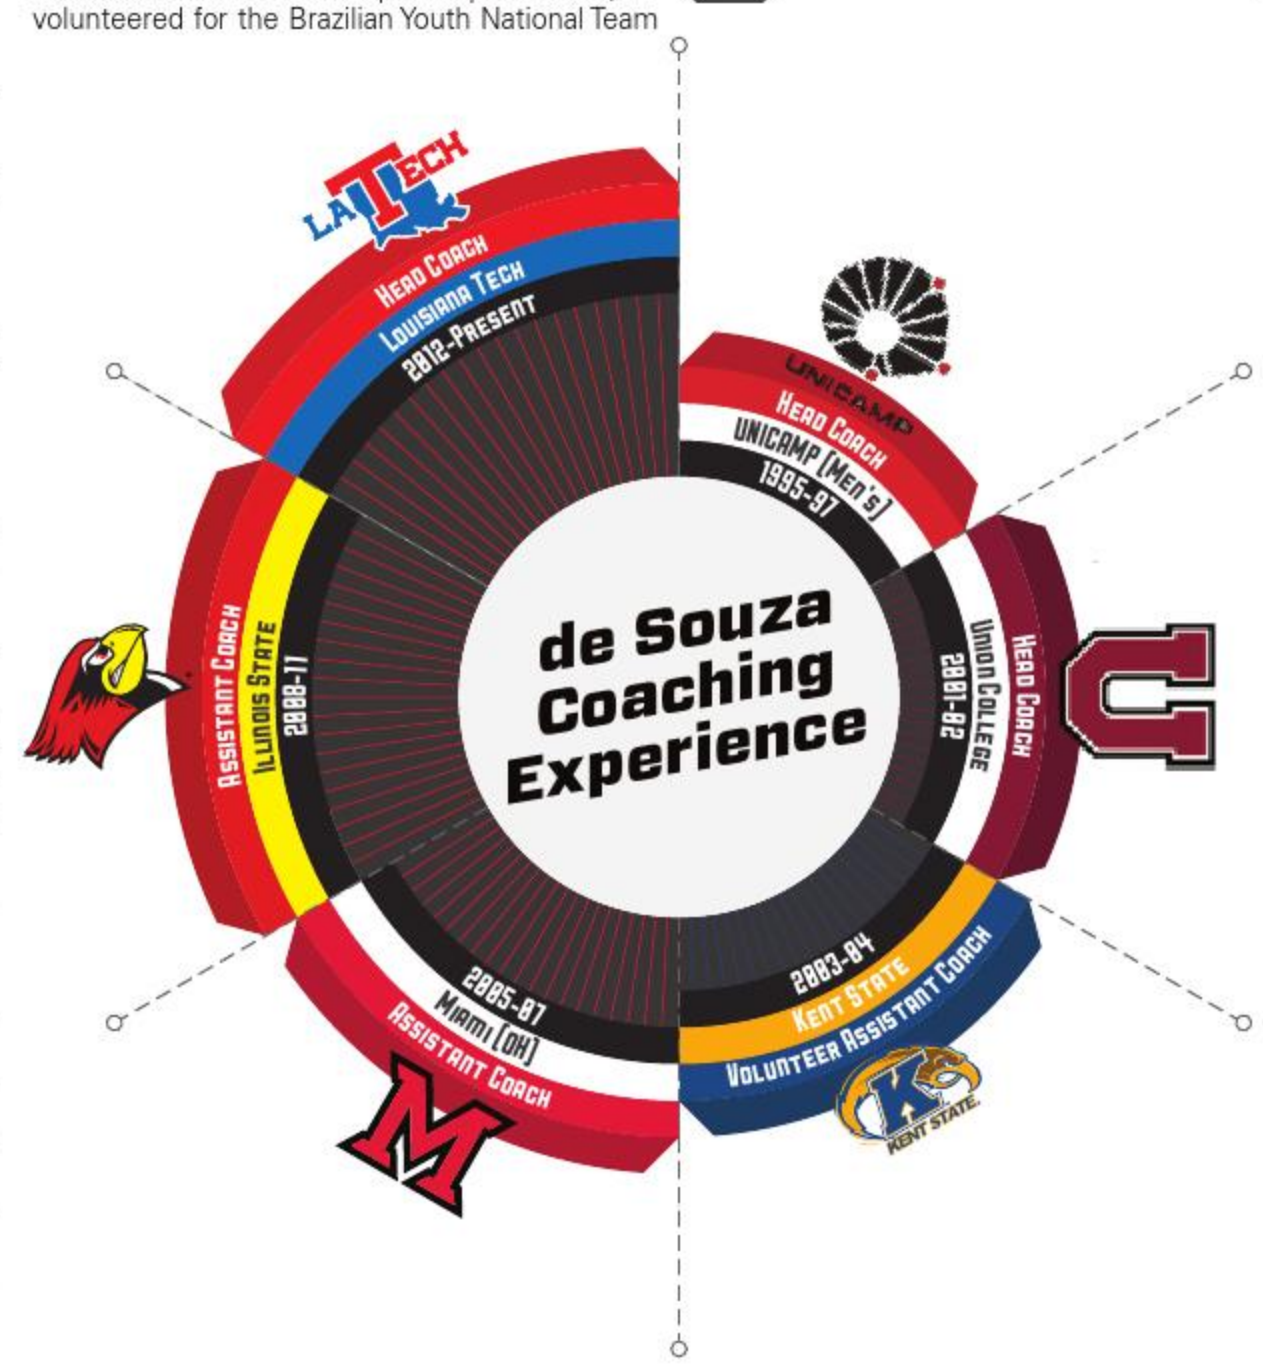
1995-1997: Head Coach, UNICAMP (Men's)



DUSTIN SAHLMANN
Assistant Coach — 1st season

Louisiana Tech head volleyball coach Adriano de Souza announced in the spring of 2014 the hiring of Dustin Sahlmann, who will serve as an assistant coach on the Lady Techster staff this season.

Sahlmann comes to Ruston after an assistant and interim head coaching stint at the University of New Orleans for the 2013 season. While at UNO, Sahlmann was responsible for training the setters, defensive specialists and liberos, while also serving as the recruiting coordinator for the Lady Privateers. Sahlmann helped organize all practice plans and was in charge of game planning in his one-year stint at UNO.

Prior to his time with the Privateers, Sahlmann spent two seasons as the head volleyball coach at Philander Smith College in Little Rock, where his duties included game planning, recruiting, scheduling, fundraising and overseeing all academic progress for the student-athletes.

In addition to serving as the head coach at Philander Smith College, Sahlmann also spent six years as the director of player development for the Little Rock Juniors Volleyball Club, a training program designed for young student-athletes in Central Arkansas, between 2007 and 2013. In his time with the Little Rock Juniors, Sahlmann helped his teams compile a record of 94-7 over the course of six seasons.

From 2007 to 2008, Sahlmann served as a coach for the Pulaski Academy volleyball team in Little Rock, where he helped with the organization of practices for both junior high and senior high teams.

Sahlmann's coaching career originally began at the University of Arkansas, where he was a volunteer assistant for the Razorbacks during the 1994-95 campaign. In Sahlmann's time at Arkansas, he spent time as a member of the very first coaching staff in the history of the program, which also won back-to-back Southeastern Conference West Division championships.

The seven-year coaching veteran earned his degree from the University of Phoenix at Little Rock in 2009, where he studied business management in addition to his numerous coaching duties on the side. Sahlmann also spent time working on his business degree at both Arkansas and UALR.

Although he is a native of Pasco, Wash., Sahlmann is a graduate of McDowell High School in Erie, Pa., and is married to his wife, Shea, who was a college volleyball player at Henderson State. They have two children, Britney and Arron.

2007-2008: Assistant Coach, Pulaski Academy
1994-1995: Volunteer Assistant Coach, Arkansas

GABRYEL ORDING
Assistant Coach — 2nd season

Former Louisiana Tech volleyball player Gabryel Ording enters her second season on the LA Tech coaching staff after she joined the Lady Techsters for the 2013 season as an assistant coach.

"I am happy to welcome Gabryel Ording back to Louisiana Tech University as one of our assistant coaches," de Souza said. "Her return to Louisiana Tech Volleyball is a great asset for our program. She has the values and the mindset that I look for in assistant coaches".

Ording completed her senior season and earned her bachelor's degree from Louisiana Tech in kinesiology in November 2012.

Over the course of her time at Louisiana Tech, Ording lettered all four years and was also the volleyball program representative in the SAAC (Student Athlete Advisory Committee).

Ording has now returned to Louisiana Tech to continue using her work ethic and knowledge to continue the development of the Lady Techster Volleyball Program.

While a student-athlete at Louisiana Tech, Ording was not only always prepared for all the practices and matches she competed in, but she was also a leader who contributed to the organization and development of the program on and off the court, de Souza added.

"To the benefit of our student-athletes, Gabryel will continue to be a great example of responsibility and dedication to our program."

Playing Experience

2009-2012: Louisiana Tech

2014 OUTLOOK

Although this year's Louisiana Tech volleyball squad returns the most players since the 2010 season, the program is still young when it comes to the experience of playing together as a team. The theme of the 2014 season is the blending of six newcomers and the upperclassmen that will most likely determine the success of this Lady Techster team.

With a revamped roster after losing three starters and four total letterwinners from a year ago, de Souza enters his third season ready to lead Louisiana Tech to success with his most experienced squad since inheriting the program in 2012.

In 2013, the Lady Techsters improved as a team in almost every statistical category, but as a first-year member of Conference USA the team struggled down the stretch and ended the season with a 7-22 overall mark.

Looking ahead to 2014, LA Tech returns eight letterwinners (three starters and a libero), while six newcomers are expected to make an immediate impact for de Souza and his coaching staff, which includes the addition of first-year assistant Dustin Sahlmann.

"Our volleyball players have trained really well since last spring and have spent a considerable amount of time together learning what it will take for them to leave a positive mark on the program," de Souza said. "This group of players has a strong will to succeed and understand that team success will be determined by how much time they put into their preparation, how much they help each other and how hard they compete in every match this coming season."

Three Lady Techsters, Maria Coelho, Jessie Ely and Rebecca Redgen, all return for their senior seasons in 2014, while Dalane Guidry, Helena Gunnarsdóttir and Adria Morales will start their junior years, making this year's LA Tech team the most experienced squad since de Souza's arrival on campus in 2012 with six upperclassmen.

The addition of Morales and Gunnarsdóttir, who both earned all-conference honors last season for Lee College, should help stabilize the Lady Techsters' attack, add experience to the squad and make up for the loss of three LA Tech starters, including the team's leading hitter and blocker from last season.

De Souza is also intent on building the future of the program with freshmen Danielle Bristow (MH), Emilee Dechant (MH), Jacie McClure (DS/L) and Brooke Short (S) expected to see valuable playing time for LA Tech in their first collegiate campaigns.

ON OFFENSE

In 2014, Dalane Guidry and Rebecca Redgen return to the Lady Techsters as the two players with the most match experience. With the addition of junior college transfer Helena Gunnarsdóttir, as well as freshmen Emilee Dechant and Danielle Bristow, the Lady Techsters will be looking for more efficiency in the offensive system.

"Our offensive players will have a lot of work to do for us to achieve a higher hitting percentage and a higher kills per set average this year," de Souza said. "They all know that our main goal is to increase these two statistical aspects of our game. Our non-conference matches will be good tests for them to verify how they have developed."

Rebecca Redgen, a senior from Gladstone, Australia who totaled 291 kills last season (2.75/set), returns as LA Tech's leading attacker after ranking second on the team last season. Two-year letterwinner Dalane Guidry is also back for her junior season with the Lady Techsters, as the 6-foot-3-inch middle hitter was third on the team in 2013 with 143 kills and second with 63 total blocks.

This season will also see the return of Angela Papach, Marta Monne, Hannah Wright and Katy McFadden, each of whom saw some playing time last season as freshmen. Monne will make her long-awaited return to the court this season as a redshirt freshman after suffering an MCL, ACL and Meniscus injury in the fourth match of the 2013 campaign. The Varese, Italy native required season-ending surgery and has been working on a full recovery heading into 2014.

Gunnarsdóttir is expected to bring discipline on offense and defense to the squad after spending two seasons as a standout player for Lee College. Look for the Iceland native to help Tech's offense on both the outside and right side position, along with improving the Lady Techsters' on the service line and in serve receive.

Bristow, who hails from Saskatchewan, Canada, and Dechant, a native of Hutchinson, Kansas, are both vying for playing time on both the offensive and defensive systems for de Souza's squad. The two true freshmen are expected to contribute to the offense, as well as helping with the team's blocking game throughout the campaign.

SETTERS

After spending his first two seasons with just one setter on the roster, de Souza and his staff have developed depth at the position, which, in turn, will encourage competition among the three candidates. Most importantly, though, the depth will give the staff and team more tactical options as far as being able to run a 5-1 or a 6-2 team system throughout the season.

"We are really looking forward to working with our setters this season," de Souza said. "For the first time, we will have more options for training and for putting our team together for competition. Maria (Coelho), Brooke (Short) and Adria (Morales) are all hard workers and understand the need to develop a strong offensive system."

Three-year letterwinner Coelho is the lone returner at the set-

ter position for LA Tech after totaling almost 1,800 assists in the last two seasons. The Brazilian also poses a threat from the service line as the senior led the team last season with 42 aces (0.39/set), as well as tying a program record with eight aces in a match versus New Orleans early in 2013.

Adria Morales, a transfer from Lee College, is also expected to step in and make an immediate impact in improving offensive efficiency and defense for the Lady Techsters. Morales averaged 8.59 assists per set for the Lady Rebels last season.

Also look for newcomer Brooke Short, who comes to Louisiana Tech from Murrieta, California, to vie for playing time in order to give Tech more options for offensive and defensive tactics and strategies this fall.

DEFENSIVE SPECIALISTS/LIBEROS

Alejandra Aviles returns in 2014 for her sophomore year after leading the Lady Techsters last season with 360 digs (3.71/set). Aviles was also an asset from the service line for the team after totaling 16 aces in 97 sets in her first season at the collegiate level.

"Our three liberos are players who will bring a lot of enthusiasm and hard work into practices and matches," de Souza said. "While we need our offense to be more effective this year, we also need our liberos to make sure we become sharper in minimizing the chance of our opponents to score points."

LA Tech's Jessie Ely, who played in 90 sets in 2013, also returns for her senior season and is set to see time on the court over the course of the campaign. The Illinois native totaled 156 digs and 20 aces a season ago for the Lady Techsters.

Newcomer from Baton Rouge, Jacie McClure will also see playing time on the court for LA Tech in 2014, as the freshman is expected to help both service and reception, as well as on the defensive side of the ball.

2014 SLATE

Louisiana Tech is set to play a total of 30 matches over the course of the 2014 season, including 16 conference contests in a 13-team league.

LA Tech will face three in-state schools this season with matches scheduled against McNeese State, New Orleans and Grambling State. The Lady Techsters are also set to face several familiar faces this upcoming fall as the team is scheduled to play a combined 18 non-conference and league opponents from last season's schedule in 2014.

"Our team is looking forward to competing this upcoming season," de Souza said. "Our pre-season schedule will give us an idea of what aspects of the game we need to improve after every weekend of competition. Every match in pre-season will be very important in preparation for Conference USA play."

The fall schedule begins with four consecutive weekend tournaments, beginning with the Lady Techsters traveling to Kalamazoo, Mich., on Aug. 29 to battle top-notch competition in the Bronco Classic hosted by Western Michigan. LA Tech faced off against the Broncos last season as Western Michigan traveled to Ruston to appear in the LA Tech Invitational.

The Lady Techsters open the 2014 home slate on Sept. 12 as the team will host the Louisiana Tech Volleyball Invitational in the Thomas Assembly Center for the second straight year. The four-team, two-day tournament has LA Tech pitted against New Orleans, UTPA and Stephen F. Austin in three matches. A total of six matches will be played on Friday and Saturday between the four teams competing in the invitational.

On Monday, Sept. 22, Louisiana Tech will officially begin its second season in Conference USA with Southern Miss set to travel to Ruston to kick off the 2014 league campaign. The Lady Techsters will follow up with a home match against new league member and the 2013 Sun Belt regular season champions, Western Kentucky, on Sept. 26 in the TAC before embarking on a three-match road trip.

"Conference USA will bring strong competition in every match we play," de Souza, now in his third season as head coach, said. "Our players understand how important it will be to intensively prepare for every single match and to perform at their best during the conference schedule."

LA Tech is scheduled to play a total of 12 home matches this season, beginning with the team hosting the Louisiana Tech Volleyball Invitational on Sept. 12-13 in the Thomas Assembly Center.

MARIA COELHO 4

S | 5-10 | Sr. | 3L

Belo Horizonte, Brazil
(Sacred Maria's Heart)

Junior (2013): Started all 29 matches and played in all 108 sets for the second consecutive season ... Led the team in assists (911), assists per set (8.44), service aces (42) and service aces per set (0.39) ... Her 0.39 aces per set ranked her second among all Conference USA individuals, while also ranking her 46th in the nation ... Recorded a team-high seven double-doubles on the season for a career total of nine double-doubles ... Totaled 54.0 blocks on the season (4 solo, 50 assists) and was responsible for notching 133.0 points over the course of the campaign ... Third among her teammates in blocks with a total of 54 ... Tied a Louisiana Tech program record with eight aces in a single match with eight service aces Sept. 7 in a five-set win over New Orleans at home ... Recorded a season-high seven kills and an .875 hitting percentage with three blocks Sept. 3 vs. UAPB ... Totaled a season and career-high 58 assists Sept. 10 at Stephen F. Austin ... Had 30 or more assists in 13 matches on the season and 50 or more assists twice in 2013 ... Recorded a season-high 5.0 blocks Sept. 24 vs. Northwestern State.

Sophomore (2012): Started all 30 matches for LA Tech in 2012 ... Led the Techsters in assists with 878 and an average of 8.36 on the season ...Finished the season sixth in the WAC individual standings for assists ... Recorded 30 or more assists in 14 matches in 2012 and more than 40 assists in four matches this season ... Received all-tournament honors twice in 2012 for her performances in the Southern Miss Invitational and the Tangi Tourism Lion Classic on the campus of Southeastern Louisiana ... Recorded a career and season-high 51 assists versus Seattle U (11/10) ... Recorded three double-doubles on the season against South Alabama (8/25), Utah State (9/27) and Seattle U (10/11) ... Ranked second on the team in blocks with 64 (seven solo, 57 assisted) ... Her 16 service aces ranked third among all Techster players this season ... Fourth on the team in digs with 171.

Freshman (2011): Made her first career start vs. Grambling St. (09/09)... Recorded 28 assists, six digs and three blocks vs. the Tigers in her only start... Recorded double-digit assists in two matches, last vs. Fresno St. (10/06)... Second on the team in assists/set (5.00)... Five service aces and blocks for the season

High School: Longstanding member of the Minas Tenis Clube volleyball club... Named the best setter in the Copa Minas Championship in 2007... Participated in the Emerald City Classic in Seattle in 2007 and 2009... Chosen to compete for Minas Gerais in the Brazilian Championship in 2010.

THOMAS ASSEMBLY CENTER

The Thomas Assembly Center has been home to the Louisiana Tech Bulldog and Lady Techster basketball teams since it opened in November of 1982, but the 8,000-seat facility has also housed the Lady Techster volleyball program since the program's inception in 1987.

The Lady Techster volleyball team has called the Assembly Center home since 1987 as Tech has played nearly every season in the Thomas Assembly Center. The TAC has seen the Lady Techsters go on to seven separate winning seasons including a school best 29-10 season in 1992.

Now entering its third decade, the Techster volleyball program is led by third-year head coach Adriano de Souza.

Lady Techster legends such as Katie Dow Kahmann, Jamie Shanks, Courtney Ziegenbien, Sharla Richardson and even more recently in Christinne Sant'anna and Shannon Phillips have all called the Thomas Assembly Center home for their college careers.

CONFERENCE USA

Conference USA celebrates its 20th anniversary in 2014-15, welcoming newcomer Western Kentucky University into the fold on July 1. The league has transformed through its two decades, but the commitment to excellence, integrity, leadership and its student athletes in athletics, academics and community is unwavering.

Conference USA enjoys a far-reaching fan base with its 14 members: Charlotte, FIU, Florida Atlantic, Louisiana Tech, Marshall, Middle Tennessee, North Texas, Old Dominion, Rice, Southern Miss, UAB, UTEP, UTSA and WKU.

Since beginning competition in 1995, Conference USA teams have combined for 83 bowl appearances in football, 100 NCAA Tournament appearances in basketball including three Final Fours, 60 NCAA baseball appearances including six College World Series berths, 71 NCAA soccer tournament appearances including four trips to the College Cup, and 35 individual national champions in track and field and cross country.

Success is not limited to athletic achievement, however, as 186 Conference USA student-athletes have garnered Academic All-America honors, 651 have achieved academic all-district laurels and thousands of student-athletes have earned their college degrees.

Conference USA sponsors competition in 19 sports – nine for men (baseball, basketball, cross country, football, golf, soccer, tennis, and indoor and outdoor track and field) and 10 for women (basketball, cross country, golf, soccer, softball, swimming and diving, tennis, indoor and outdoor track and field, and volleyball).

The league promotes the scholar-athlete ideal, honoring outstanding achievement with numerous conference-sponsored academic awards, including the Commissioner's Honor Roll and the Commissioner's Academic Medal as well as sport-specific All-Academic teams.

C-USA annually awards $4,000 postgraduate scholarships, along with the Sport Academic Awards, Scholar-Athletes of the Year and the Institutional Academic Excellence Award. Additionally, Conference USA presents a Spirit of Service Award three times each year, recognizing student-athletes who excel on the field, in the classroom and give back to the community through significant service efforts and participation.

SUCCESS ON THE PLAYING FIELD

Conference USA performers have achieved great success in competition, placing the league among the top conferences in the nation.

Football
- 83 teams have earned bowl bids
- Eligible for the College Football Playoff
- Conference USA has 10 bowl affiliations through the 2019 season, securing a minimum of five berths annually. Conference USA has primary bowl tie-ins with the Bahamas Bowl, Beef 'O' Brady's Bowl, Boca Raton Bowl, Gildan New Mexico Bowl, Heart of Dallas Bowl, Miami Beach Bowl, R+L Carriers New Orleans Bowl and Sheraton Hawai'i Bowl, along with secondary arrangements with the Duck Commander Independence Bowl and the Lockheed Martin Armed Forces Bowl.

Men's Basketball
- 115 postseason teams (51 NCAA, 44 NIT, 11 CBI, 9 CIT)
- One National Championship title game appearance
- Three Final Four teams
- Seven Elite Eight NCAA Tournament teams
- One NIT Champion and four NIT semifinalists
- Inaugural CBI Champion
- CIT Championship

Women's Basketball
- 49 NCAA Tournament appearances
- 49 WNIT appearances
- One Sweet 16 NCAA Tournament team
- Three WNIT semifinalists
- One WBI Champion

Baseball
- 60 NCAA appearances
- Six College World Series appearances (2009, 2008, 2007, 2006, 2005 and 2001)
- 14 Super Regional appearances
- Has produced at least four NCAA teams in nine of the past 13 seasons

In addition to the numerous NCAA Tournament berths, C-USA has sent four men's soccer teams to the NCAA College Cup, three softball teams to the Women's College World Series and three volleyball teams to the NCAA Sweet 16. The league has also had 35 national champions in NCAA track and field competition, one national champion in diving, and numerous NCAA individual and team competitors in cross country, golf, swimming, tennis, and track and field. Overall, Conference USA teams and individuals have made more than 800 NCAA appearances.

SUCCESS OFF THE FIELD

C-USA institutions are among the nation's best in academic performance of student-athletes, bolstered by the fact that student-athletes at league schools have a higher graduation rate than the general student population. Among C-USA's 5,000 student-athletes, there are champions off the playing field as well. In 19 years, more than 28,000 student-athletes have been named to the Commissioner's Honor Roll or received the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom.

C-USA ON TV

C-USA enjoys significant television exposure through partnerships with FOX Sports Media Group, CBS Sports Network and ESPN. The multi-tiered selection process that is rooted in partnering with all three networks has substantially increased the number of national and regional appearances for football, men's and women's basketball, and all other conference sports.

C-USA membership include institutions within eight of the Top 40 media markets and four in the Top 25 according to Nielsen. C-USA home markets this year will include more than 13 million TV households, a 30 percent increase from two years ago.

C-USA DIGITAL NETWORK

The C-USA Digital Network officially launched in August of 2011. Network programming includes live streaming of non-televised events, video on demand, a weekly C-USA studio show, podcasting, regular-season and championship event highlights, and conference-produced feature stories. In its first year, 1,164 events were streamed live and 8,126 videos were posted and available on the C-USA Digital Network, and those numbers have more than doubled. Monthly and yearly subscriptions provide fans access to events offered on all of the C-USA member institution's athletic websites as well as C-USA network programming.

C-USA IN THE COMMUNITY

The conference's current footprint is concentrated with 14 members in 10 states and a combined area population of nearly 30 million. With a commitment to community involvement, the conference developed several initiatives to maintain strong ties in C-USA cities, as well as with fans and alumni across the country. C-USA schools also place a priority on giving back to their communities through volunteer service with local and national organizations. Individually, student-athletes are recognized each season through the Spirit of Service award.

GOVERNANCE

Conference USA has significant representation in the NCAA governance structure. The presidents of the member institutions serve as the league's Board of Directors.

A PROUD HISTORY

Conference USA was formed in 1995 and quickly emerged as one of the nation's top conferences. The conference unveiled its name, logo and commissioner April 24, 1995, in Chicago. The league's charter members included Charlotte, Cincinnati, DePaul, Houston, Louisville, Marquette, Memphis, Saint Louis, Southern Miss, Tulane, UAB and USF. Eleven of the institutions began athletic participation in 1995, while Houston joined competition in the fall of 1996.

The league's headquarters were established in Chicago and, after nine years, relocated to the current office in Irving, Texas. Britton Banowsky was named Commissioner in October 2002, succeeding Mike Slive, the league's first commissioner.

C-USA added East Carolina (September, 1996) and the United States Military Academy (March, 1997) as football members. ECU began league competition in 1997; Army in 1998 and UAB began football play in 1999. The league added TCU and ECU (1999) for all sports and they began competition in 2001. USF started C-USA football in 2003. Marshall, Rice, SMU, Tulsa, UCF and UTEP became full-time Conference USA members for all sports in 2005.

In 2013, charter member Charlotte returned to C-USA and was joined by new members FIU, Florida Atlantic, Louisiana Tech, Middle Tennessee, North Texas, Old Dominion and UTSA. The membership is at 14 institutions with WKU joining the league on July 1, 2014.

2013 HIGHLIGHTS

LADY TECHSTERS NOTCH FIRST C-USA WIN FOR LA TECH ATHLETICS

As a first-year member of Conference USA, LA Tech Athletics was searching for its first conference victory in any sport up until the Lady Techsters traveled to face league foe Charlotte in North Carolina in early October.

On Oct. 4, 2013, LA Tech's volleyball team delivered the school's inaugural win as a member of C-USA for all Bulldog and Lady Techster teams, as the squad came through with a 3-1 (25-19, 21-25, 25-21, 25-22) defeat of the host 49ers at Halton Arena.

Not only was it LA Tech's first league win for the school, but the victory also marked the first conference win for the volleyball program in three years. The win snapped a 34-match conference losing streak for LA Tech that dated back to the end of the 2010 season when LA Tech defeated then WAC foe Nevada in five sets.

LA Tech had three players reach double digits in kills as Xzache Mathis (17 kills), Rebecca Redgen (13 kills) and Caitlin Germany (13 kills) paced the Techsters' offense over the course of four sets.

Dalane Guidry caused trouble for the 49ers all night as the sophomore totaled six blocks and also notched nine kills to help lead the team to a victory over the home team.

COELHO TIES SCHOOL RECORD FOR MOST ACES IN A SINGLE MATCH

When the Lady Techsters faced off against the University of New Orleans on Sept. 7 in the LA Tech Invitational, not only did the team battle through five sets to prevail 15-10 in the fifth, but Maria Coelho tied a program record that had been untouched since 1995.

Coelho began the match with five service aces and added three more later for a total of eight aces, which ties her for the single-match record in Louisiana Tech Volleyball history.

Coelho also assisted on 40 kills with 17 digs and two block assists. In three matches this weekend, Coelho totaled 12 service aces and just three errors.

NINE VOLLEYBALL PLAYERS NAMED TO C-USA COMMISSIONER'S HONOR ROLL

While the Louisiana Tech Volleyball team focused on battling opponents on the court, the team also made it a point to focus on the classroom during the 2013 season, as evident by the nine players head coach Adriano de Souza had named to the 2013-14 Conference USA Commissioner's Honor Roll.

In all, a record 3,213 Conference USA student-athletes earned recognition to the Commissioner's Honor Roll during the 2013-14 academic year. Student-athletes named to the Commissioner's Honor Roll maintain a cumulative grade point average of 3.0 or better.

MATHIS TIED FOR FOURTH PLACE IN PROGRAM HISTORY WITH 28 KILLS VS. SFA

Despite LA Tech falling to Stephen F. Austin in five sets early in the 2013 season, junior outside hitter Xzache Mathis took advantage of the lengthy match and etched her name in the school's record books.

Mathis totaled 28 kills versus the Ladyjacks that day, which tied the Longview, Texas native for fourth place all-time with four other LA Tech players. Her 28 kills versus SFA was the most of any Lady Techster since 2007 when Shannon Phillips recorded 30 kills against Central Arkansas.

Louisiana Tech University and President Les Guice share a rich history together that spans five decades and has produced family ties that are deeply rooted in a passion for the Bulldogs and Lady Techsters. From an architecture student stepping on the campus for the first time in 1972 to an appointment as Louisiana Tech's 14th President in 2013, Dr. Guice has shown an unwavering commitment to leadership and service to his alma mater.

One of Dr. Guice's first achievements at Louisiana Tech was earning a bachelor of arts in architecture in 1976. Discovering a passion for engineering under the mentorship of Professor Jack Painter, Dr. Guice went on to earn a master's degree in civil engineering from Tech in 1978. While working on his master's degree, Dr. Guice also discovered a passion for teaching and education as a profession.

Dr. Guice accepted a position as an assistant professor of civil engineering at Louisiana Tech in 1978 and was promoted to associate professor in 1981. A few short years after earning his Ph.D. in civil engineering from Texas A&M University in 1986, Dr. Guice was named the interim department head of civil engineering in Louisiana Tech's College of Engineering in 1988 and earned the permanent department head position and full professorship in 1989. As department head, Dr. Guice initiated the formation of the Civil Engineering Advisory Board and the Civil Engineering Distinguished Alumni recognition program, both of which significantly enhanced alumni participation and significantly enhanced fund-raising for the department.

Throughout the next decade, Dr. Guice would continue to distinguish himself as an academician, researcher, administrator and leader. His dedication to his students, his faculty and the university would lead to his appointment as Dean of Louisiana Tech's College of Engineering and Science (COES) in 1999. As Dean, Dr. Guice continued to encourage and support innovations in the curricula. The College's faculty became increasingly successful in securing external funding for the integrated curriculum which resulted in a transformative redesign of curricula throughout the College.

Dr. Guice's leadership and vision also reinvigorated the Engineering and Science Foundation to more effectively serve the needs of the College. He initiated a new integrated strategic plan, known as "COES 2010," and capital campaign, "Tech's BEST," that led advancement of the college and to funding for an Eminent Scholar Chair, 15 Professorships, $500k Scholarship Fund, and several new laboratories and facilities.

Dr. Guice leadership also helped to guide the Institute for Micromanufacturing (IfM) toward a focus on the emerging field of nanotechnology. With the hiring of key nanotechnology faculty in numerous disciplines, further expansion of research laboratories, establishment of an interdisciplinary engineering PhD program with a nanotechnology track, and initiation of a B.S. in Nanosystems Engineering, the IfM and COES established strong research and education nanotechnology programs that have received national recognition.

In 2004, Dr. Guice's performance and accomplishments as dean of the College of Engineering and Science led to his appointment as Louisiana Tech's vice president for research and development. During his tenure as vice president and as executive vice president in 2012, Louisiana Tech has significantly increased patents, licenses/options, start-up companies, SBIR grants with affiliated companies, and has established strong industry partnerships for commercialization of technologies. Dr. Guice also led the establishment of Louisiana Tech's first two technology incubators, the Rawle and Humana Enterprise Centers.

With a focus on the future and a progressive vision for economic development, Dr. Guice has led the planning and development of the Louisiana Tech Enterprise Campus – a research park connecting the university and downtown Ruston. Enterprise Campus' first building, Tech Pointe, was completed in 2012 and is now home for several companies and organizations, including an Air Force funded Cyberspace Research Laboratory. With the recent completion of Louisiana Tech's new College of Business building and renovation to University Hall as a home for interdisciplinary entrepreneurship and innovation activities, the first phase of Enterprise Campus is nearing completion.

Dr. Guice's reputation for exemplary leadership has not been bound by the campus or the region. Roles in statewide leadership have included election to serve as the founding Chair for the Louisiana Optical Network Initiative (LONI) Management Council, serving as Chair of the Louisiana EPSCoR Committee, and leading the development of a statewide science and technology plan, called FIRST Louisiana. Dr. Guice currently serves as Chair of the Board of Regents Master Plan Research Advisory Council and as chair of the Louisiana Innovation Council.

Among the many awards and recognitions Dr. Guice has earned during his career is the Robert E. Russ Award from the Ruston/Lincoln Parish Chamber of Commerce (2009), Outstanding Civil Engineer from the ASCE Louisiana Section (2008), Louisiana Tech University Civil Engineering Distinguished Alumnus (2007), Louisiana Engineering Society's James M. Todd Technological Accomplishment Award (2007), Governor's University Technology Leader of the Year Award (2006), and Louisiana Engineering Society A.B. Patterson Medal for an Engineer in Management (2004.)

On December 4, 2012, during a special session of the University of Louisiana System Board of Supervisors, Dr. Guice was unanimously voted to serve as the 14th President of Louisiana Tech University. Dr. Guice officially took over as President on July 1, 2013.

As President of Louisiana Tech, Dr. Guice is the chief executive officer of north Louisiana's only Carnegie Foundation national research university and one of only two public universities from Louisiana recognized in the top tier of national universities in the U.S. News and World Report. Dr. Guice leads a university that most recently has been ranked #11 in the nation in a list of "Most Underrated Colleges In America" (Business Insider), #17 in the nation in a list of "Low Cost Colleges with High Starting Salaries for Graduates" (Affordable Colleges Online), and #21 in the nation for providing its graduates with the best returns on their investments (AdvisorOne.)

Throughout his career, Dr. Guice has contributed to and played a central role in creating the culture and vision for the future of Louisiana Tech, and continues that commitment as President. Dr. Guice's focus on campus-wide engagement, building and growing relationships, and leadership in forging a path toward advancement of the university's academic and athletic programs, research and commercialization activities, and economic development efforts means that Louisiana Tech University's best days are yet to come.

Dr. Guice is a native of Monroe and grew up in Bastrop. He and his wife, Kathy, have three sons – Kyle, Chad, and Bret – and one grandson, Christopher.

Louisiana Tech boasts one of the rising young stars in the industry in Athletics Director Tommy McClelland, who enters his second year in Ruston after an impressive debut.

McClelland joined the LA Tech Family when University President Les Guice introduced him as the new athletics director during a press conference at the Charles Wyly Athletic Center on July 16, 2013.

McClelland, the youngest AD among all Football Bowl Subdivision athletic programs, came to Ruston after serving six years in the same position at McNeese State in Lake Charles.

His first year in north Louisiana was a successful one. McClelland's philosophy of developing student-athletes into champions on the playing fields, in the class room and in life is the cornerstone of his leadership style.

While leading Louisiana Tech into the Conference USA era, McClelland impacted the athletics department through fundraising, facility improvements, coaching hires and overall student-athlete development.

Shortly after his hiring, McClelland re-energized the LA Tech fanbase when he joined President Guice in an October press conference revealing the updated plans for the $20 million south end zone facility project – the centerpiece of the University's Quest for Excellence capital campaign. McClelland completed the fundraising needed for the project, and the University broke ground in mid-April. An expected completion date is August of 2015.

When completed, the three-story facility, 70,000-plus square foot building will benefit all of Louisiana Tech's student-athletes; it will include a new state-of-the-art strength and conditioning complex utilized by all 16 of the University's athletic programs. The building will also house football coaches' offices, football locker room, team and position meeting rooms, club seating and a multi-functional dining space that can be utilized for athletic and campus events.

Another marquee addition to the Louisiana Tech athletic facilities during McClelland's first year was the $1.2 million Paul Millsap Vision presented by Community Trust Bank, a high definition video display board in the Thomas Assembly Center. The project also includes a customized sound system for the Thomas Assembly Center and a video board control room, which will be utilized for both football and basketball.

These two major facility improvements and additional smaller scale projects were made possible through a record-setting year of fundraising. During the 2013-14 fiscal year, McClelland spearheaded the efforts in raising more than $10.9 million through both LTAC and Quest for Excellence; more than double any previous year in Tech Athletics history. Included in the record total were five, seven-figure gifts.

Tech had plenty of success stories on the playing fields this year as well, led by Mike White and the Bulldog basketball team. The Dunkin' Dawgs captured the regular season Conference USA title, tied the program single season wins record and advanced to the third round of the National Invitation Tournament after impressive wins over Iona and SEC foe Georgia.

Following the season's success, McClelland extended the contract of White, which enabled the University to hold onto one of the hottest commodities in the basketball coaching circles nationwide.

In addition to the men's basketball success, the Lady Techster tennis team recorded one of its best seasons in program history, posting a 15-7 record and earning the No. 5 seed in the C-USA championships. First-year head coach Chad Camper earned the Louisiana Sports Writers Association Coach of the Year Award, and the Lady Techsters earned their first ever regional ranking, finishing seventh in the southern region of the final Intercollegiate Tennis Association rankings.

Tech sophomore Victor Lange became the first Bulldog golfer ever to earn an NCAA Regional appearance and competed in the San Antonio Region. Tech track and field had 13 student-athletes qualify for the NCAA regionals; six advanced to the NCAA championships in Eugene, Oregon.

McClelland also made some tough personnel decisions, making coaching changes in both women's basketball and baseball. McClelland made a national splash with the hiring of Tyler Summitt to lead the tradition-rich Lady Techster basketball program. Summitt, son of legendary Tennessee Lady Vols coach Pat Summitt, is the youngest head coach of any Division I women's basketball program.

He also hired one of the rising stars in college baseball in Greg Goff, a 21-year coaching veteran who recently led Campbell to its third straight 40-win season. The Camels joined LSU, Florida State, Oregon, Oregon State, Louisville, South Carolina and Rice as the only NCAA Division I baseball programs with at least 40 victories in each of the past three years. Goff led the program to this year's NCAA Regionals.

Prior to coming to Ruston, McClelland made a national name for himself after quickly elevating to the athletics director position at age 26. He earned high praise from a number of high-profile, experienced athletic administrators.

"Tommy McClelland is an outstanding leader and one of the nation's rising stars in intercollegiate athletics," said Bubba Cunningham, athletics director at the University of North Carolina. "He has a demonstrated commitment to supporting and developing his coaches and student-athletes and has already become well-known among ADs for his leadership, vision and character. Tommy has also shown a dedication to lifelong learning and the application of his skills and talents to making his athletic programs better."

Prior to being named athletic director at McNeese State on March 19, 2008, McClelland served as interim athletic director and assistant athletic director of internal affairs at the university.

In his time at McNeese, McClelland and his staff had numerous success stories when it came to increased revenue streams and the overall game-day experience in Lake Charles. He raised more than $3 million in private donations, and he was instrumental in increasing corporate sponsorships to nearly $1 million, while securing new clients and multi-year sponsorships.

McClelland was also responsible for increasing football season ticket sales: the program eclipsed the 8,000 mark in 2008 with a high of 8,035 in 2009. In addition, he was instrumental in setting single-game attendance records in baseball, volleyball, softball, soccer, women's basketball and women's tennis.

"Tommy is a rising star in the college athletics administration field and, in my view, the ideal leader to advance Louisiana Tech's athletics program as it transitions into Conference USA," said Ian McCaw, athletics director at Baylor University. "He possesses impeccable integrity and has an extraordinary work ethic. Moreover, his interpersonal and relational skills are outstanding and will enable him to quickly connect with Bulldog fans as well as campus and community leaders."

One of McClelland's main goals was to improve the life of the student-athletes and increase the game-day experience for the McNeese State fan base. One of the most effective ways to accomplish these goals was by improving the facilities. During his time at McNeese State, he oversaw a combined total of over $11 million dollars in facility renovation and new construction.

The combination of increased revenue streams, renovations and

new construction, and a highly-involved fan base led to plenty of success stories on the playing fields. During his tenure as athletic director, McNeese won Southland Conference championships in football (2007, 2009), soccer (2006, tournament; 2007, regular season), softball (2010, tournament; 2013, regular season), men's basketball (2011, regular season), women's basketball (2011, regular season; 2011 and 2012 tournament) and men's cross country (2012). The women's basketball program made its first appearances ever in the NCAA Tournament, and the men's basketball program hosted the first round of the NIT postseason tournament (Boston College live on ESPNU).

Even more impressive is the fact that while the Cowboy and Cowgirl programs were capturing titles on the fields, the University's student-athletes were making tremendous strides in the classroom. In five of McClelland's six years as athletics director, McNeese State led the Southland Conference in the number of student-athletes named to the Commissioner's Honor Roll.

In addition, McClelland guided the resurgence in APR success in Lake Charles. The number of athletic programs boasting the required APR score of 925 went from four in his first year to all 16 in his final year. The community service hours performed by the MSU student-athletes also tripled to more than 3,000 during his tenure.

"Tommy has a great knowledge of college athletics and excels at helping his student-athletes balance and succeed in their commitments to academics and athletics," said Warde Manuel, athletics director at the University of Connecticut. "Tommy has also proven his ability to work effectively with coaches and administrators to help his programs be successful."

McClelland earned his bachelor's degree from Northwestern State in 2004 and completed his master's degree in sports administration in 2005. He walked on with the Demons football team and eventually earned a scholarship; he also competed in the javelin for the NSU track and field team.

The native of Basile, Louisiana served as a graduate assistant at Northwestern State in athletics and also worked at the Southland Conference office as an administrative intern, assisting with championship events.

McClelland is also a 2012 graduate of the Executive Program of the Sports Management Institute and attended instruction at the University of North Carolina at Chapel Hill's Kenan-Flagler Business School and the University of Southern California's Marshall School of Business.

McClelland is married to the former Jessica Stokes of Garrison, Texas. They have two sons, Lawson (4) and Grayson (3).

Deputy Athletics Director and Senior Woman Administrator Mary Kay Hungate enters her 29th year as a member of the Louisiana Tech Athletics Department and has proven to be an integral part in the emergence of the University's programs on the playing fields and in the classroom.

Not only does Hungate serve as the sports administrator for softball, women's volleyball, men's and women's track and field, and women's bowling, but she is also in charge of NCAA compliance for all of the university's 16 NCAA sanctioned programs.

As one of the top two ranking administrators in the Tech Athletics Department, Hungate is part of a senior staff that was instrumental in helping the University earn an invitation to join Conference USA starting July 1, 2013.

In addition, Hungate and the current senior staff have also garnered a number of national awards, including the 2010 Turnkey PRISM Award - which recognizes colleges for managerial excellence across four areas: marketing/branding; fan development; community relations; and customer/client service.

The Tech athletics department also finished in the Top 10 three times in the Excellence in Management Cup, which recognizes the most efficient athletic departments in the nation.

Hungate serves a vital role in the hiring of head coaches. She served as the point person in the hiring process of head women's soccer coach Kevin Sherry. Sherry led the Lady Techster soccer team to four straight winning seasons (the first ones in program history), the program's first ever WAC victories and its first appearance in the WAC Tournament in 2010. She has also been involved in the hiring of a number of other highly successful coaches, including current Lady Techster basketball coach Tyler Summitt, son of legendary Tennessee coach Pat Summitt.

Another of Hungate's responsibilities includes overseeing the academic side of the Tech athletics department, another area which has improved drastically as proven by the fact LA Tech's graduation rate continues to be one of the highest in the state (Federal Graduation Report).

Louisiana Tech's student-athletes continue to reach academic progress superlatives. For the sixth straight year the University recorded all-time highs in the most recent Federal Graduation Rate Report released by the NCAA last October. Tech's student-athletes recorded a Graduation Success Rate (GSR) of 80 percent and a Federal Graduation Rate (FGR) of 59 percent, which both were improvements over last year's numbers.

Louisiana Tech's 80 percent graduation success rate ranks as the second highest in the state among Division I football-playing public institutions, trailing only LSU (81). LA Tech's graduation success rate is four percentage points higher than last year's (76) and easily outdistances the state average of 66 percent among the other nine Division I football-playing public institutions in the state of Louisiana.

Twelve out of 16 programs at LA Tech also saw an improvement in their single year Academic Progress Rates (APR) over the previous year's scores, including men's and women's indoor track and field, men's and women's outdoor track and field, and women's cross country. Thirteen of Tech's athletic programs earned a single year rate above 930 for 2012-13 led by perfect 1000 scores by men's basketball, men's golf, women's tennis and women's bowling. The women's bowling team also earned an NCAA Public Recognition Award last week after their multi-year APR (1000) ranked in the top 10 percent among all the women's bowling programs in the nation.

Hungate also plays an important role in LA Tech's NCAA Certification process. As a member of the Steering Committee and the liaison between the athletic department and the University's Self Study Committees, she provides the information needed for the committees to write their reports.

Hungate joined the Louisiana Tech staff in 1985 as an assistant women's basketball coach and remained in that role for five years. During that time, the Lady Techsters participated in four Final Fours and won the NCAA National Championship in 1988.

In 1990, Hungate made a move out of coaching and became assistant athletics director for academics and compliance as well as senior woman administrator. One of Hungate's early accomplishments as assistant director of athletics was the creation of the Louisiana Tech Athletic Academic Center program.

Hungate has served terms on the NCAA Division I Academics/Eligibility/Compliance Cabinet, the NCAA Division I Interpretations/Legislative Review Subcommittee, the National Association of Collegiate Women Athletics Administrators Wade Trophy Selection Committee and as an NCAA Peer Reviewer. She has also served on the NCAA Division I Women's Basketball Issues Committee since 2004.

She currently serves on the Western Athletic Conference Council, the Conferences' Legislative Review Committee, the Finance Committee and the Code Book Committee. In addition, along with Athletics Director Bruce Van De Velde, she represents the athletics department as an ex-officio member of the LA Tech Athletics Council.

Hungate's professional career began as Women's Sports Coordinator and head volleyball, head basketball and head softball coach at Illinois' Carl Sandburg Junior College. She spent four seasons at the college where she guided the basketball team to a mark of 80-22 which included an 11th place finish in the 1976 NJCAA national tournament.

In 1978 Hungate took over the head coaching position at Richwoods High School in Peoria, Ill., and quickly compiled one of the top prep coaching records in the nation.

During her seven seasons at Richwoods High School, Hungate's team ran up an impressive record of 195-13, including a state-record 63 consecutive victories. Hungate was named the National Coach of the Year by USA Today in 1985. Before coming to Louisiana Tech, Hungate amassed a career coaching record of 275-35.

MALCOLM BUTLER

Associate Athletics Director/ Communications

@LATechMButler

Malcolm Butler begins his 16th year in the Louisiana Tech Athletics Department, his eighth as the associate athletic director in charge of communications.

A 1994 graduate of the Louisiana Tech journalism department, Butler joined the athletic department in July of 1999 as the assistant athletic media relations director. Butler was then promoted to director four months later and served in that capacity until the fall of 2007 when he was promoted to associate athletic director.

The Ruston native is in charge of media relations for women's basketball and softball and also serves as the secondary contact for football while overseeing the daily operations for the entire department. He is a member of Tommy McClelland's senior staff and also serves as the sports supervisor for women's tennis.

During his time at Louisiana Tech, Butler has been instrumental in promoting numerous high-profile student-athletes including record-setting quarterbacks Tim Rattay and Luke McCown, and All-American women's basketball players Tamicha Jackson and Cheryl Ford. He has also worked closely with a number of highly-successful head coaches, including 4-time Hall of Famer Leon Barmore, former Tennessee head football coach Derek Dooley and current Lady Techster women's basketball coach Tyler Summitt, son of legendary Tennessee coach Pat Summitt.

Over the course of his tenure, Louisiana Tech's Athletic Communications Department has proven to be one of the most successful in the state. Over the past 13 years, members of the department have won a total of 52 awards at the annual Louisiana Sports Writers Association (LSWA) SID contest, the second most behind only LSU.

During that same period of time, Butler has personally garnered 28 awards, second most among all state SIDs behind only LSU Associate Athletics Director Michael Bonnette (30).

Butler is part of a senior staff at LA Tech that has been instrumental in garnering a number of national awards, including the 2010 Turnkey PRISM Award - which recognizes colleges for managerial excellence across four areas: marketing/branding; fan development; community relations; and customer/client service.

The Tech athletics department also finished in the Top 10 three times in the Excellence in Management Cup, which recognizes the most efficient athletic departments in the nation.

He was instrumental in forming the partnership between Louisiana Tech and CBS Interactive in the fall of 2007, including the redesign and hosting of the athletic departments website, LATechSports.com.

As part of the agreement with CBS Interactive, a webstreaming platform - LA Tech All-Access – was created, allowing fans from all over the world to watch live streams of almost all of the university's home athletic events. LA Tech All-Access annually streams more than 125 live events.

Butler has served as the host media coordinator for three NCAA Women's Basketball First- and Second-Round sites hosted by Louisiana Tech (2000, 2001 and 2003) while also serving as the host media coordinator for the 2008 WAC Baseball Championships and the 2013 WAC Softball Championships hosted by Louisiana Tech.

In addition to his media relations responsibilities, Butler serves as the radio play-by-play voice for the nationally-prominent Louisiana Tech Lady Techster basketball team.

Butler has broadcast more than 480 women's basketball games, including 15 NCAA Tournament games, during his 14 years behind the mic. He finished second in the Louisiana Sports Writers Association College Radio Play by Play category in 2013.

He has also broadcast in excess of 200 softball games, including four in the 2008 NCAA Tournament, and served as the color commentator on numerous Bulldog football and basketball broadcasts. He served as the sideline reporter for the Bulldog football broadcasts in 2014. Butler joins Dave Nitz as the co-hosts of Inside Tech Basketball, an hour-long coaches radio show during the winter.

Butler implemented a fundraising campaign for his department in the fall of 2007 and since that time it has raised over $40,000, which has been used to purchase additional equipment, software and other essentials within the media relations department.

He is a member of the College Sports Information Directors of America (CoSIDA), Louisiana Sports Writers Association (LSWA), United States Basketball Writers Association (USBWA) and Football Writers Association of America (FWAA). He is also a proxy voter for the Louisiana Sports Hall of Fame committee.

MARIE GILBERT

Associate Athletics Director/ Chief Financial Officer

Marie Gilbert enters her 30th year at Louisiana Tech and her seventh as associate athletics director and chief financial officer in the athletics department.

Gilbert is responsible for the day-to-day business operations of the athletic department, including overseeing the individual budgets for 16 varsity sports, monitoring athletic funds of the Louisiana Tech Athletic Foundation and serving as liaison with the university's business offices.

She is also a member of Athletic Director Tommy McClelland's senior staff and serves as the sports supervisor for men's golf.

Gilbert served on the Program Committee for 2014 CABMA Conference and led a round-table discussion on tackling equipment budgeting.

She is part of a senior staff at LA Tech that was instrumental in the University's invitation to join Conference USA, a membership which began July 1, 2013. She has also been actively involved in numerous initiatives to enhance the athletics department, including signing new agreements with companies such as Learfield, the Aspire Group, Ticketmaster, Pepsi and ACS Athletics.

The hard work and vision of that same senior staff has led to numerous national awards, including the 2010 Turnkey PRISM Award - which recognizes colleges for managerial excellence across four areas: marketing/branding; fan development; community relations; and customer/client service.

The Tech Athletics Department has also finished in the Top 10 three times in the Excellence in Management Cup, which recognizes the most efficient athletic departments in the nation.

Gilbert previously served as the budget manager for the College of Engineering for six years where she had similar duties. She was also in the College of Liberal Arts as the dean's assistant handling day-to-day business in the office while working with budget planning for the year.

In 2002, she received the Distinctive Professional Performance and Conduct Award from the Institute of Micro-manufacturing at Louisiana Tech.

Gilbert has earned two degrees from Louisiana Tech University and completed a master's certificate in technical writing.

She is a current member of the National Association of Collegiate Marketing Administrators (NACMA) and the College Athletic Business Management Association (CABMA).

She is also actively involved in the American Cancer Society and serves as the chair for the Relay for Life Luminaria Service. She is on the Executive Committee for the ACS Relay for Life in Lincoln Parish. Gilbert was the honorary captain for Louisiana Tech's 2013 Bulldogs Tackling Breast Cancer game.

Gilbert and her husband, Tim, reside in Bossier with their four dogs.

After working more than six years as the director of athletic advancement in the Division of University Advancement, Adam McGuirt took over the role as associate athletics director for internal operations in December of 2013.

McGuirt's new role includes the oversight of facilities, event management and all capital improvements within the athletic department. He assists in the scheduling, supervision and administration of all athletic facilities while also maintaining relationships with campus constituents, campus security, visiting groups and outside organizations.

He is also a member of Athletic Director Tommy McClelland's senior staff and serves as the sports supervisor for women's soccer.

One of his main responsibilities is the oversight of the construction of the $20 million south end zone facility at Joe Aillet Stadium. Construction on the 70,000-plus square foot, three-story building began in April and should be operational by August, 2015.

During his previous role in athletic advancement, McGuirt was responsible for all areas of athletic development, including donor relations and all aspects of the Louisiana Tech Athletic Club (LTAC).

McGuirt was instrumental in helping more than double the number of LTAC members which resulted in a large increase in private donations.

McGuirt also worked closely with the Louisiana Tech Alumni Association in the development and implementation of events for alumni and friends throughout the state of Louisiana and surrounding areas.

McGuirt has been a part of a staff at LA Tech that helped the University garner an invitation to join Conference USA, a membership which began July 1, 2013. That same staff has been instrumental in garnering a number of national awards, including the 2010 Turnkey PRISM Award - which recognizes colleges for managerial excellence across four areas: marketing/branding; fan development; community relations; and customer/client service.

The Tech Athletics Department also finished in the Top 10 three times in the Excellence in Management Cup, which recognizes the most efficient athletic departments in the nation.

A native of Shreveport, McGuirt graduated from Louisiana Tech in 2003 with a bachelor's degree in business administration.

McGuirt is married to April, and the couple has three daughters: Lily, Sophie and Emily.

Nate Warren begins his second year as the assistant athletic director for development where he oversees the fundraising efforts for the Louisiana Tech Athletic Department.

Warren's responsibilities at Louisiana Tech include identifying and securing private support with an emphasis on major gifts, cultivating and soliciting major gift societies, providing oversight for the Louisiana Tech Athletic Club, the Lettermen's Club and the Director of LTAC.

During his first year in his position, Warren teamed up with A.D. Tommy McClelland and the LA Tech Foundation to raise a record $10.9 million in total athletic gifts, nearly $6 million more than the previous year. Almost 1,300 individuals responded with financial gifts, including three separate major gifts of seven figures.

A University of Tennessee and Kansas State alum, Warren came to Ruston after serving as the assistant director for development at K-State for more than two years.

During Warren's four-plus years at Kansas State which included two years as a graduate assistant, he oversaw the Ahearn Fund which experienced unprecedented growth from 5,454 members and $12.7 million in gifts to athletics when he arrived to 9,143 members and $25.8 million in gifts to athletics in fiscal year 2012.

Much of the growth in the Ahearn Fund numbers was due to the increased focus on leadership annual giving of $10,000 and above, as well as increased focus in Kansas City, Kansas State's largest alumni base.

In his role as assistant director of development, he oversaw an active portfolio of over 150 Ahearn Fund members and prospects, primarily in Kansas City. In addition to his duties in Kansas City, he oversaw membership campaigns and special events, both in the Kansas City area and on campus for returning letter winners.

Warren was also actively involved in fund raising for the West Stadium Center, the largest capital project in Kansas State University history both through philanthropic capital gifts and premium seat construction gifts.

Some of his additional responsibilities at Kansas State included providing leadership in re-branding the Ahearn Fund across Kansas as well as nationally; fully overhauling the online signup process leading to a much more simple process for first time members to join the Ahearn Fund; helping implement and serving on the Marketing Task Force, a collaborative effort between the development and marketing departments, leading to more streamlined communications to both current and potential members; creating and running the R1SE UP member referral program, which led to over 300 new members via referrals from existing members; and soliciting and secured annual gifts from $50 to $15,000 and capital gifts up to $140,000.

Warren earned his bachelor's degree from Tennessee in sports management in 2008 while he completed his master's degree in education administration and leadership from Kansas State in 2011.

Patrick Walsh joined the Louisiana Tech Media Relations Department in 2009 and serves as the associate media relations director. He is the primary contact for football, men's golf, men's and women's cross country and men's and women's track and field.

In his tenure at Louisiana Tech, Walsh has been responsible for the promotion of three national award winners (Ryan Allen, 2011 & 2012 Ray Guy Award; Colby Cameron, 2012 Sammy Baugh Award) as well as two other national award semifinalists (Colby Cameron, 2012 Davey O'Brien Award; Quinton Patton, 2012 Biletnikoff Award) .

Walsh is also credited with promoting the 2011 WAC Championship football team to a Poinsettia Bowl bid, highlighting the teams successes to various bowls as the Bulldogs became eligible for postseason play with a seven-game winning streak. He also promoted Tech's football team its the highest ranking in school history (18th - Associated Press; 19th - USA Today/Coaches; 20th - BCS) during the 2012 season.

He also promoted Chelsea Hayes to the 2012 Joe Kearney Award, given to the Western Athletic Conference's top athletes as Hayes became the first Louisiana Tech athlete to ever win that award. That season, Hayes went on to become the school's most decorated athlete with her sixth All-America honor and then promoted the long jumper as she qualified for Team USA, competing in the XXX Olympiad in London.

During the 2009-10 academic calendar year, Walsh promoted hurdler Antoinette Cobb for the Honda Inspiration Award as she set school and conference records after beating a case of colon cancer. Cobb became the first athlete from Louisiana and from the WAC to win that award.

Walsh came to Louisiana Tech from The Citadel, where he last served as the primary contact for baseball and cross country while serving as the secondary contact for football, as well as the webmaster for CitadelSports.com. He also oversaw game operations duties for The Citadel Baseball at Joseph P. Riley, Jr. Park.

At The Citadel, Walsh was involved with a trio of publications that were recognized on a national scale by the College Sports Information Directors of America (CoSIDA), with his 2007 track and field media guide finishing 24th in the nation. Walsh was heavily involved with the 2008 football guide that finished eighth among Division I-FCS programs and the 2006 football guide that was 12th among I-AA teams.

A member of CoSIDA, Walsh also serves on the Publications Committee and was a judge for the 2007 women's golf media guide publications contest.

Walsh arrived at The Citadel following a seven-month stint as the Sports Information Assistant at Newberry College in Newberry, S.C., a NCAA Division II member of the South Atlantic Conference. At Newberry, Walsh was responsible for media relations and game operations for Indians baseball, cross country, tennis and volleyball, as well as being the assistant contact for men's basketball.

Walsh was also in charge of marketing and promotions for several Newberry sports. His work helped lead Newberry Volleyball to a NCAA Division II top 20 ranking in attendance. In addition to those duties, Walsh was also the play-by-play announcer for Newberry volleyball and baseball radio broadcasts.

Walsh is a 2005 graduate of the University of South Carolina where he majored in Sport and Entertainment Management and was a member of the South Carolina Honors College. At USC, he was a student assistant in the Sports Information office where he worked with several Gamecock sports and was the public address announcer for South Carolina Baseball at Sarge Frye Field.

While at South Carolina, he was recognized by the College Sports Information Directors Association (CoSIDA) for his work on the 2003 South Carolina Track and Field Media Guide, which was named second in the nation, and for the 2002 South Carolina Volleyball Media Guide which placed first in the region.

Walsh, born in Oxford, Ohio, currently resides in Ruston.
